File Photo

This prestigious, like new Boeing BBJ has logged less than 60 hours total time. This modern lightweight BBJ offers seating for eighteen passengers, a full stateroom with private shower, seven long range auxiliary fuel tanks and incorporates the highly desired the lower cabin altitude modification for greater passenger comfort. This BBJ is available immediately for sale, lease or lease/purchase.

Corporate Concepts is pleased to offer this exceptional Boeing Business Jet. The BBJ is one of the most technologically advanced corporate aircraft today based on the popular Boeing 737 that has sold over 6,000 aircraft in its history. The reliability and global support by Boeing has made this aircraft one of the finest VIP aircraft in today's market.

INTERIOR:

The aircraft has 18 passenger seats and two flight attendant jump-seats that are certified for Taxi, Take-Off and Landing. The entry area of the cabin houses a crew rest area, a crew lavatory, a passenger lavatory and the full service galley across from the pantry. The forward cabin houses the lounge area, which is laid out with a right side conference group with a four-place divan with two executive chairs and two hi-lo tables. On the left side of the lounge area is a two-place club style seating arrangement with entertainment

cabinet. The mid-cabin area houses a dining group made up of six individual executive style seats with a hi-lo meeting or dining table. There is a full-length credenza on the right side along with a corner secretary chair. On the aft bulkhead is a 42" flat screen monitor. The hallway, leaving the mid-cabin on the right side, leads to a guest room that houses two three-place divans that convert into a full size bed. There is a credenza with a 21" flat screen monitor on the left side of the guest room and the room can be made private by the sliding pocket door. The hallway leads further into the aft stateroom area. The stateroom houses a full size bed and night tables with reading lights, wardrobe and a 42" flat screen monitor on the aft bulkhead. The fully equipped aft master lavatory is complete with shower.
