

Corporate Concepts International, Inc

Eurocopter EC135 T1

Serial Number: 011 – Model: 1997

For Sale – Lease – Lease/Purchase

Corporate Concepts International is pleased to announce to the market this Eurocopter EC135-T1 helicopter. The technologically-advanced twin engine EC135 helicopter combines a wide, unobstructed cabin with Eurocopter's Fenestron tail rotor for excellent performance, range and payload capacity – along with low-noise operation and multi-mission capability. Oversized sliding side doors and rear clamshell doors enable fast loading/unloading of passengers and equipment. The EC135s are widely used by air medical services operators, corporate/VIP operators and also are flown in support of the offshore oil/ gas industry and for law enforcement. Contact us today to see how we can assist you with all of your aviation needs.
