

Corporate Concepts International, Inc

FALCON 50-4

Serial Number – 088

This Falcon 50-4 incorporates many upgrades to enhance value, safety and performance. Aircraft is equipped with new generation Collins Proline 21 avionics and has been upgraded with reliable and cost efficient Honeywell TFE731-4-1C engines. The aircraft has fresh exterior paint, new upgraded 50EX-style interior, recent 30-year CPCP and “4C” inspections completed. Engines and APU are covered under Honeywell’s MSP Gold program and a maintenance package on the aircraft that includes all maintenance through January 2014 including the next “C” inspection. Call or email us with your questions and to schedule an opportunity to view this pristine aircraft.

This Falcon 50-4 aircraft interior has been completely refurbished and updated to a 50EX style interior with the latest, state of the art cabin systems. Upgrades include a new modern one piece interior shell, a soundproofing package, LED lighting for upwash, downwash and reading lights, Baker cabin switching, and a forward "S" shaped galley. At interior refurbishment six new chairs were installed, new plating on all metal fixtures, and new wood veneer installed – Truly a fully new interior! Cabin entertainment includes a 15" flat screen monitor, a DVD player and a multidisc CD changer.
