

Corporate Concepts International, Inc

Proudly Offers to the Market

Sikorsky S-76B

Serial Number – 760312

Available for Sale – Lease – Lease/Purchase

Corporate Concepts International, Inc is proud to offer to the market this Sikorsky S-76B. The Sikorsky S-76 series aircraft is an industry leader with increased performance, quiet comfort, spacious cabin interiors, dispatch reliability, operating cost efficiencies and superior mission versatility. The legendary S-76 helicopter operates in 35 countries on five different continents. This S-76B features a spacious six passenger VIP interior with the ability to be quick changed to accommodate twelve passengers. Full management and charter of the helicopter is available by the current U.S. operator. For more details or to schedule a personal showing please contact us or visit our website www.flycci.com.

12 passenger increased capacity interior

The current six-place deluxe VIP interior also features a new carpet. The increased passenger capacity for twelve passengers (photo above) was completely refurbished in January 2006 and is in excellent condition. For passenger comfort is enhanced with a cabin intercom system, a freon air conditioning system, bleed air heat and "Quick Board" steps on both the right and left side. (Additional photos coming soon)

Six Passenger VIP interior
